

HackSoc - Freshers and Autumn Term Event Planning

21/08/2026 - 6–6:40pm

Points Of Discussion

- Welcome Week Events
- First Semester Events

Attendance

- Elizabeth Hickmott
 - Sammy Sahnine
- Joel Solís Avendaño
- Sam ‘Segfault’ Clarke
 - Isaac Page
 - Charlie Giddens
 - Sami Sued
 - Aakriti Agarwal

Meeting Minutes

Event Planning

- Intro to hackathons and HackSoc events joined together this year.
- Events to continue on Thursdays.
- Sami would like to do 2–3 workshops a semester on Tuesdays (or every few weeks).
 - He will produce a poll to see what people are interested in.
 - May also produce events on Thursdays if there are empty spots.
- Programming café on Wednesdays – 1st-year timetable needed.
- HackSoc pub crawl (Thursday/Friday in Welcome Week).
- Once a month, have a more social event.

Semester 1 Events Schedule (Plan)

- 21–22 September – Welcome Fair and Programming Cafe I - 1st Year Timetable
- 24- 25 September – Potential Pub Crawl
- 01 October – Intro to HackSoc, HackNotts, and Hackathons
- 08 October – Web Dev Workshop (Sami)
- 15 October – Halloween Scratchathon
- 24–25 October – HackNotts

- 29 October – [Blank - Lecturer/Guest Speaker]
- 05 November – [Workshop – Sami]
- 12 November – Lecture Slide Karaoke
- 19 November – Art Week – p5.js, Turtle Pictionary
- 26 November – Lightning Talks (@ Rose and Crown)
- 03 December – Advent of Code Workshop – Joel?
- 10 December – Christmas Party

Semester 2 Event Ideas

- Personal Project Showcase

Welcome Fair

- David Ross on 21 and 22 September (9/10am – early afternoon).
- Committee should put their availability in the chat so that we can organise a timetable.
- HackSoc pub crawl (Thursday/Friday).

General

- Joel needs access to the Instagram account for marketing.
- Aakriti needs to find a guest speaker for 29th October - planning on producing a poll to see what people will be interested in.
