

HackSoc - Welcome Week Planning Discussion

28/07/2024

Points Of Discussion

- Finance Applications
- HackSoc Welcome Week Plans (events and timings)

Attendance

- Eva
- Harry
- Nishi
- James
- Indraneel
- Amber
- Lana
- Qiang
- Manasi

Meeting Minutes

- **Finance**
 - Manasi to do financial funding applications but Nishi and Lana can help out if she is busy
- **Welcome Week**
 - *Welcome Week Fair:*
 - Should be guaranteed we have a stall since applications are still open
 - Eva and James will work on the stall on Monday
 - Harry and Nishi will work on the stall on Tuesday

- For HackSoc condoms, picking a code (voted for 416) and then removing the text, work to be done by Qiang
- ▶ *1st Year Talk*
 - Nishi will advertise the society for 1st Year in their introductory lecture
 - Eva will advertise the society for 2nd Year in their introductory lecture
- ▶ *Welcome Week Event*
 - *Timing*
 - Manasi to discuss Mentor Scheme events with Samay and HackSoc will work around that to choose a day to host their event
 - *Event Itself*
 - What we will do during the welcome event (Eva to do introduction), James will do a hackathon talk and anyone else can do a tech based related section (can be a workshop for e.g)
 - ▶ Lana to do creative coding workshop and Nishi to do website creation workshop
 - Pizza: Eva will wait to hear back from grant funding and/or HackNotts sponsorship (e.g. 50, doesn't need to be 1 for everyone)
 - Should start making leaflets and stickers (Qiang has stickers) to hand out during the Welcome Fair, but need to know what events are first before making the leaflets (one event will be Adrian's intro to hardware)
 - HackSoc events every **Tuesday**

Events Idea List for First 4 Weeks (in no particular order):

- Intro to Hardware (Adrian to lead)
- Lecture Speaker Event -> Nishi to ask
- Workshop - Intro to Python (Qiang can lead)
- Competitive Programming

Other Event Ideas:

- Own Project Discussion
- Lightning Talks (towards December)
- Year in Industry Careers Talk
- Round Robin

Other Details

- Committee members to send photos to Eva for HackSoc website portraits
- New committee members have now been added to HackSoc Git
