

HackSoc - Freshers and Autumn Term Event Planning

08/08/2025

Points Of Discussion

- Photos for Website
- Welcome Week Events
- Autumn Term Events

Attendance

- Alex Beeley
- Joel Sollis
- Lana Valentine
- Liz Hickmott
- Oli Sharp
- Sammy Sahnine
- Will Rostance
- Will Wright

Meeting Minutes

Rules Document

- Oli suggested we add a section on committee discretion being final
- The document will stay open until tomorrow for any suggestions, which should be added via Google Docs edit

Photos for Website

- 2 photos of each committee member are to be submitted to Lana
- The first photo should show the committee member aged 0-10
- The second photo should show the committee member as they are now

Old Committee

- Second committee discord role was removed and replaced with a handover role
- Will Rostance needs Manasi to explain how to be the treasurer
- Will Wright need access to GitHub for meeting minutes
- Sammy needs access to the Instagram password for marketing

Event Planning

- Events moved from Tuesday to Thursday
 - This gives more time for planning events and attendance from Sammy for marketing purposes
 - Everyone agreed that this change was positive and will be implemented going forward
- Event Ideas
 - Hackspace Trip
 - Oli will organise for some time in April
 - sometime in april
 - Programming Competition
 - Shelved for Semester 2 as to avoid conflicts with the school programming competition
 - Intro to C++
 - Alex's Physics Programming Workshop
 - Redstone Hackathon
 - Hacker Round Robin
 - Prompt for a project is given, and each person has 10 mins to work before rotating to another laptop
 - Prompts should be simple enough that everyone can participate
 - Wildcard prompt - make anything!
 - Oli's Mini-Hackathon
 - Shelved for after Christmas since we have no money and are busy
 - Scratchathon
 - Should be increased to 2 hours
 - Children's Games Night

Semester 1 Events Schedule

- 2nd Oct - Intro to HackSoc lecture
- 9th Oct - Intro to Hackathons workshop
 - Run by Oli, covering git usage for Hackathons and general skills
- 16th Oct - Hack your Career

- Previous interns and graduates come to talk about applications and jobs
 - Scheduled for peak application season
- 23rd Oct - Talk from guy who really wanted to and/or Miscellaneous Workshop
- 30th Oct - Gameshow (for Halloween)
- 6th Nov - Miscellaneous talk
- 13th Nov - Lecture Slide karaoke
- 20th Nov - Personal Project Showcase
- 27th Nov - Lightning talks
- 4th Dec - Advent of Code Workshop
 - Do day 1 as a group in Python
 - Split up and do the other problems individually/in groups
- 11th Dec - Christmas Film Night
 - Chill
 - Can be repeated in January for exams

Welcome Fair

- Sammy and Will Wright will run the stall on Monday
- Sammy and Lana will run the stall on Tuesday
- These are subject to change if anyone speaks up and wants to take over
- Freebies are needed:
 - Stickers
 - New stickers were acquired from Sheffield
 - They should be in the inventory (so with Lana)
 - Flyers
 - Sammy to design
 - Look online for flyer printing
 - Condoms
 - Lana will ask Laura Pope
