Minutes for March 6, 2019

Present: A. Osher (Chair), D. Cordell, A. Khazal, A. Dadhich, J. Mercer

Absent: Z. Ali, P. Fabiani

Announcements

1. Hoodies have been approved and should be here soon *crosses fingers*

Retrospectives

Cyber Security Workshop

1. We got in trouble with:
 - Research Systems Team
 - Head of School
 - The school in general
 - Information Services
2. We've cancelled the fourth one
3. Everything is being virtualised, absolutely no live demos
4. All three of Hani's workshops have been re-worked
5. Need to have a meeting with Mike Pound, Max Wilson, Aaron, Primoz, and Hanni

Placement Speaker Event

1. Speaker didn't show
 - We failed to follow up far enough in advance (more than one day)
 - Speakers should receive 'deployment' email one week prior to their event
 - Speakers should also receive an email 24 hours before the event as a final confirmation
2. No marketing
 - We need to keep to our once per week for a month leading to event schedule for tweets and fb posts
3. No coordination with school
 - We should run every speaker event by Max
4. Falsely advertised as former UoN CS Student
 - Have speakers provide their own bio/descriptions at hacksoc.net/talk

Old Business

1. HackNotts Photos

Action (Kash): On drive by Friday

New Business

1. All externally submitted written additions to the website will now require two reviewers, not inclusive of the PR submitter.
2. All future security or ethically questionable content needs to be fully drafted and reviewed by Max Willson no later than 60 days prior to the event.
3. Data Science workshop/speaker event scheduled for April 4th

We may want to get posters

4. **Action (Aaron):** Ask Max for details to give him access to minutes

Next Meeting: March 13, 2019
