HackNotts Event Report

1. Venue

Lights were on C1

Asking school to flip the fuse for the lights in C1

Only Use C60 - Partition or Only a gender neutral spaces

No fire system after power cut

Security/Estates didn't check the fire system - Report to the appropriate people

People reported being cold on the outside - It was warmest in the center

Alert people to how the ventilation works in the lab

Chase up Hacksmiths about the mattresses earlier

Power off Desktops before the event if possible

Circulate that we have the labs as early as possible to students in the school and facebook groups

Signs in Lab saying that we're running HackNotts

To get the lakeside door opened we need to speak to the Porter and will have to pay porter fees

Doorbells should be marked as for HackNotts only

Attendees need to be reminded that they are not allowed to wander the building - i.e. B Floor is off-limits, Sleeping spaces is only allowed to be accessed between specific times

Policy of "if not in a the correct part of the venue" will be asked to leave

Notify Security that there is an event with sleeping spaces. i.e. have them notify us before kicking people out of the building

2. Food

Juicy Hog didn't know whether or not they actually had a vegetarian/vegan option

Speak with them in future to arrange a new option

Snacks and Drinks should be pre-ordered day before or day of from Sainsbury's

Investigate access to a wholesaler

Hot Drinks

UoN Catering Hot Drinks

Should've clarified the SU policy earlier

There was too much Subway - should've been 6-inches per person

Should've over-allocated for veggie/vegan

3. Volunteers and Human Resource Management

Responsibilities needed to be better allocated

Should've had broken down schedule on a per-volunteer

Someone should've been in charge of volunteer responsibilities - kicking people out when it's time to go to bed, and what to do.

Radios

Have people allocated to radios at all times

Get more radios

Roping in volunteers much earlier on

Briefing should've been earlier

Minimum of two weeks before

Sleeping at allocated times

Everyone should've actually left at their allocated time

Should've collected rota preferences as early as a month prior

Volunteers should be appointed a month out

Responsible that's awake and alert at all times

Talk to the school about sleeping room monitoring, there has been training within the school's faculty about it. (Bystander Training)

VR Should have a dedicated volunteer at all times

The rovr was cool, but we need as simple of a setup as possible in future

4. Organising

Trello board for responsibilities

Clarify at registration that you must be an actively enrolled student, or have graduated in the previous 12 months

New Organizer Roles

Head of Logistics

Head of Human Resources

Head of Experience

Head of Finance

Prepaid Card for Emergency expenses during the event (Confirm with SU)

Volunteer/Mentor Bios with skills

Contingency plans for if we don't have a car/driver

Cars should be covered with insurance if we use them
